INTRODUCTION

The Directorate of Academy Libraries is pleased to present the ninety-fourth issue of the Air Force Academy Libraries' *Special Bibliography Series*. It was prepared by Ms. Frances K. Scott, Political Science Bibliographer and Reference Librarian. Most of the books in this very selective bibliography were published in the last ten years; most of the journal articles, report literature, and government documents in the last five. All are available in the Academy's Academic Library.

This bibliography was developed to support the Forty-first Air Force Academy Assembly sponsored by the Academy's Department of Political Science. The theme for the 1999 Assembly is:

"US National Interests and the Western Hemisphere: Searching for Common Ground"

The Academy will welcome approximately 165 delegates, from more than 100 colleges and universities, to the Assembly on 23 - 27 February 1999

Libraries wishing to receive copies of the Academy's *Special Bibliography Series* may request a copy by writing:

To those using the bibliography in their research, we hope you will find it helpful. Comments concerning this bibliography should be addressed to Ms. Frances K. Scott at the address above.
